

## Guest Policy

The policy is designed to ensure the safety and enjoyment of the members of the pool. The Club encourages members to bring guests on **Guest Day** (Thursday), when the pool is staffed and prepared for guests and various other activities.

- **Members must accompany their guests at all times.** All guests are subject to the *Lake Park Rules and Regulations* policy.
- Guests will sign in the **guest notebook**, their name, email and phone number along with the member's name. If the guest is under 18, a phone number where their parent can be reached in case of an emergency must also be provided. Staff will create and keep records for each guest during the season. Each guest must sign pool waiver form. Each guest may only visit six (6) times a season. Visits on **Guest Day** will be exempt from the six (6) allowed visits.
  - **Members will be allowed to purchase a guest pass for \$20.00. This pass gives you 6 visits to share with family and friends. 6 visit max per person still in place. Additional instructions are on the back of the card.**
- Guests under 8 years of age must be accompanied by an adult member.
- Guest fee shall be \$5.00 per person, except on **guest day** when the fee shall be \$3.00/person.
- The member is responsible for the sign in & payment of guest fees.
- Children under the age of two (2) will not be charged a guest fee
- Houseguests are welcome to visit on any day (weekdays, weekends, holidays, and special events). A houseguest is anyone who lives outside of WAKE COUNTY. Please send an email 24 hours in advance to [lpkmembership@gmail.com](mailto:lpkmembership@gmail.com) and we will put your houseguest on a list so they are not charged for their visit. You only need to do this once and their name will remain on the list for the season. If they are not on the list they will be asked to pay a guest fee. We know you have folks show up last minute. We will certainly make every effort to accommodate these last minute requests.
- **Memorial Day, Labor Day and Fourth of July** are days that guests are expected to check in and pay fee. Opening day is free for any and all guests!
- In the case of a nanny/babysitter, the member must fill out information regarding the nanny/babysitter in advance. Forms are available at the snack bar or on-line. There is no charge for their visits to the pool but they must have member's child (children) with them at all times.
