

Join Us for a FREE Tennis Event at Lake Park!

Hosted by Tennisbloc

A new local startup dedicated to spreading tennis and pickleball to athletes of all ages.

Our Goal

To create a fun-filled, free introduction clinic with friends, community, and games, allowing participants to learn the basics of tennis from trained instructors; all absolutely FREE.

Come Join Us!

This summer we are launching our first ever Tennis & Pickleball Clinics and we want to meet you! Join us for a fun-filled day by attending a **FREE tennis clinic**. This clinic will be meant to be a preview of the structure and layout of our upcoming summer programs. This will be geared toward beginners through intermediate players, and participants will learn some basic strokes, then put them to practice with some fun games and prizes.
