You asked and we listened:

Our guest policy has changed this year (please read the new policy and application forms on our [website](#)) **We are now offering a season guest pass for 16 yrs old and under for \$100.** Apparently the 6 visit limit for guests is a cause of great distress for some families. The

season pass must be purchased by an adult member (sorry kids) and is non-transferable. The guest must be accompanied by a member and sign in at the snack bar in order to be admitted to the pool. **Children under 8 years old must be accompanied by an adult at all times.**

Guest Policy Summary

- \$5 per person per visit (limit of 6 visits) \$15 maximum per day per family
- \$3 per person on Thursday (Guest Day). This visit doesn't count toward the 6 visit limit.
- \$15 weekly pass (seven (7) consecutive days)
- Out of Town guests free
- \$100 for 16 and under Special Season Pass (download the application form from our website and bring your payment to the pool)
