Lake Park Recreation Association News

Lakepark Family,

We have officially signed a contract with a solid and reputable pool management company to manage the swimming pool this summer – Pool Professionals. We are excited!

Many of you have been inquiring about those who wish to be lifeguards at Lakepark this summer, and now they can officially apply to do that. Here is the process:

Go to <http://poolprofessionals.com/>

Click on Employment

Click on Apply

You will need to choose New Application, Select Raleigh as the Closest Branch, and choose the position you wish to apply for (Pool Manager, Lifeguard...)

Complete the application

In one of the notes sections you should manually mention that you are applying specifically for Lakepark. There are no dropdowns or selections for a specific pool – so you must indicate that in words.

When you have completed that, then Submit your application.

If you do not have all of the necessary certifications, Pool Professionals will handle that, as well.

You will be interviewing with them for the position – they will technically be your employer.

So go ahead and submit those applications, and we are looking forward to another wonderful summer at Lakepark!
