

This is not a picture of our pool but it could be!

The work done by all of the volunteers at the pool last weekend was great! Thank you to everyone who was able to make it and help. So much was accomplished and the pool grounds are really starting to take shape.

There are still a few things to do before we open on May 14, and still some opportunities to volunteer and help. For those of you who were unable to make it last weekend, or who are willing to come back out, there will be two opportunities tomorrow for you. There will be two volunteer work sessions, one from 9-11 am and the other from 2-4. We will be working on 2 things:

- 1) stick collection and bundling to put on the street for Tuesday's yard waste pick-up and,
- 2) mulch distribution

So gloves and pitch forks are needed. Bags and thick twine and wheel barrows will be on site.

Please come if you can. We are nearly there!!
