A Big Thank You to Our Members

Whew! Opening day was a big success! The new LPK Rec Association was nervous about our first baby steps. New management, new staff, new members and a new Board of Directors. What could go wrong? As it turns out Nothing!! Thank you all for putting up with our growing pains. Hold on - it promises to be a great summer!

Keep up with LPK activities through Facebook, NextDoor.com and the Lake Park Pool web site.
