

## Community Egg Hunt

Join your LPK neighbors for an afternoon egg hunt & open house on **Sunday, April 2 at 2 PM.**

Enjoy scouring the pool grounds for treats with the youngest LPK'ers and look for a special visit from a BIG bunny! Participants are asked to contribute 20 eggs to ensure hunting FUN for all! Invite your neighbors & friends that may be interested in joining Lake Park.

**DONATE FILLED EGGS:** drop off filled eggs in the bin outside 6101 Crestdale Circle anytime between Wednesday, March 29th through Friday, March, 31st.

*Membership renewal is available*

### Save if you pay before May!

Opening Day is fast approaching — Saturday, May 13 — and we hope that you plan to rejoin this year. The website has been updated and is now ready for online membership registration and payment. We can also receive mail-in or hand-delivered registrations with payment by check or cash. All pool membership fees are discounted by \$25 for payment through May 1. For fees and related information: <http://lakeparkpool.com/join/>. Let us know of your questions, comments, or suggestions: [LPKMembership@gmail.com](mailto:LPKMembership@gmail.com).

### A note about paying online

We are once again accepting online payments via PayPal. Although PayPal charges a fee of approximately 3% for this service, Lake Park is not adding a surcharge for PayPal payments this year. (It has come to our attention that PayPal's terms prohibit such surcharges, and of course we need to abide by their terms.) We are glad to offer this convenience, and at the same time we are a bit concerned about the aggregate impact on our revenues, and thus on our ability to cover the costs of running the club. If you choose to register and pay online, please consider making a small OPTIONAL additional contribution to cover the PayPal fee. The online registration and payment screen allows for an optional contribution. Thank you for your consideration and support!

## LPK Triathlon Survey

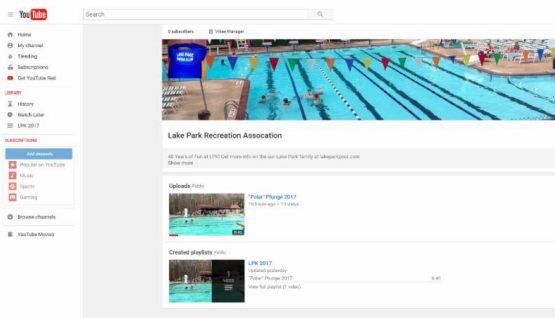

The Swim Team leadership needs your help in assessing interest for bringing back our annual triathlon. Thank you for taking the time in answering a few questions. The Triathlon is for kids 6 -13 years old. We appreciate your help!

## Oh what fun we had! 2017 Polar Plunge

While it was around 80 degrees outside for our "Polar" Plunge, the water was still a frigid 60 degrees on February 25. Some of the smaller LPK members stayed in & played! Click the image below to see the video on our YouTube channel!
